Surakarapu Shanmukh Srinivas

2027 University Graduate | Aspiring Developer | Seeking Full-Time AI/ML and Web Dev Positions

Telangana, India

Summary

I am an upcoming 2027 graduate of Malla Reddy University, pursuing a Bachelor's degree in Technology with a specialization in AI/ML. Some areas of interest include web development, public relations, content creation, digital marketing, brand management, and social media.

I'm a creatively inspired and data-driven AI/ML engineer and web developer, dedicated to continuously educating myself and improving my skills.

My professional experience includes internships at Intel, Pramila Foundation "A Non-governmental organization (NGO)" and AICTE. I'm energized by creative problem-solving and cross-functional collaboration. I'm passionate about the intersection of people, business, and technology.
